

Story Center

What's Yours?

Story Center is your new hub for storytelling! Ever had a thought for a cool, new idea but forgot to write it down? Introducing, Story Center. With this app, you can plan and keep track of all your new ideas. Save story titles, summaries, chapter names, characters, and more with Story Center's easy-to-use platform. Plus, do all your internet browsing from within the app with our built in web service that makes it easy to search and save new stories.

Features List:
